

## Hopkins Fastpitch – Scholarship Request

Hopkins Fastpitch is dedicated to promoting fastpitch softball for girls in the Hopkins Public School district and to providing a quality experience for all participants in its programs. Hopkins Fastpitch is a volunteer-run, not-for-profit organization. Program fees are strictly cost-recovery.

The Hopkins Fastpitch organization recognizes full or prompt payment of our Summer program fees may represent a hardship for some families. Hopkins Fastpitch may grant scholarships for such families. Scholarships are for registration fees only and do not cover other program costs, such as uniforms, equipment or other related expenses. The Hopkins Fastpitch organization does not normally grant full scholarships. All families requesting scholarships are asked to make some financial contribution.

**Families requesting a scholarship must contact a Hopkins Fastpitch Board member.**

Request Form (to be completed upon approval for scholarship request)

I understand that the scholarship is determined by Hopkins Fastpitch. I also understand that all fees, net of the approved scholarship, must be paid at registration unless a payment program has previously been established with Hopkins Fastpitch. The player will not be allowed to participate in any practices or games if her fees are not paid when due.

I understand that Hopkins Fastpitch may revoke a scholarship for failure to pay fees when due. I also understand that a full uniform cost is due at registration regardless of the scholarship or payment program. A family's time commitment for the Hopkins Tournament is not reduced by the granting of a scholarship or payment program.
